Old Business

94 Repeater

The 94 repeater is in operation at Dave WB0TSR's QTH. A new Diamond X510HD antenna for the repeater has been purchased by Bruce KE0NWG and the antenna will be installed in Aurora, SD on the City water tower. When in place the repeater will be moved to the Aurora city maintenance shop.

Clean Club Room

The club room in the basement of the public safety building should be cleaned and reorganized. We will sort out equipment and determine what needs to go. Adam W0ZML and Aiden KE0WPC volunteered to help clean. It was suggested that we try to fix/operate the old boat anchor radios.

Roof Feed Line

The feed line going to one of the antennas on the police station roof needs repair. It was suggested that the club get a another antenna analyzer because the current analyzer is flakey and it would be good to have a second one.

Summer Picnic

Summer picnic will be on September 11th at 6 PM at the Aurora City Park.

New Business

Fusion Repeater

Matt K0BBC suggested installing a Yaesu DR-1X with the 94 repeater. The DR-1X repeater will be connected to the South Dakota WIRES-X. It was brought up that the '94 repeater is currently equip with Yaesu Fusion hardware, and could be used in place of Matt's idea.

Field Day Results

A Field Day report was given by George KF0CCI. The club made 180 contacts, for a total of 362 QSO points. 490 bonus points were earned for a total claimed score of 852. The club received one QSL card from KG7JWN in Utah. All Field Day contacts were uploaded to the club's QRZ.com page.

Meeting Finals

The next Club meeting will be Monday September 11th, 2023 Starting at 6:00PM during the summer picnic at Aurora City Park.

The motion to end the meeting was seconded by Dave WB0TSR and Darel WB0CPW and the meeting ended at 7:46 PM.

Announcements and bulletins

W0BXO Zoom Coffee will be the 2nd and 4th Tuesdays of the month at 2pm. The zoom meetings may cease during the summer and fall months.

Club Dues are due, \$20 for single membership and Family memberships are 25\$. Donations for the 94 repeaters will be accepted and are appreciated. Dues can be paid in person at any club meeting (please talk with Art or one of the club officers). You can also send dues via mail to:

Art Wilbur
P.O. Box 177
Estelline, SD 57234

The Club has a Hamshack Hotline bridge at 1342. Arend NK0V arranged for the bridge and it is up and running. Several members including Dave WB0TSR, Bruce KE0NWX, Todd KF0AIT, and Arend NK0V have Hamshack Hotline phones.

The SD NEO net is at 6pm after the 5:30pm MN Section Net on 3.860 MHz. The ND net follows at 6:30pm.

We would like to remind all members that any equipment or books borrowed from the club must be signed out upon removal. Also, a discussion on the expected time an Item is borrowed was discussed. It was determined that a time of one month would be typical but allowances can be made upon discussion with the club.
